I can't get you out of my mind
I can't get you out of my mind no no
I can't get you out of my mind
I can't get you out of my mind
You're such a lovmaker

I left my job left everything behind
All I wanted to do was to please you
You took me for a ride
I dreamed in your sweet love
Certainly you weren't there
I couldn't find you anywhere nowhere anywhere

Lovemaker Lovemaker
Heartbreaker got a really mean faker
Lovemaker Lovemaker
Heartbreaker got a really mean faker

I can't get you out of my mind
I can't get you out of my mind no no
I can't get you out of my mind
I can't get you out of my mind
You're such a lovmaker

You got me hooked
I'm depending on your love
You left me in the fire
With it's no turning back
Give me a call
Because we got to get in touch
I give you my love
And you know I'll do anything everything anything

Lovemaker Lovemaker
Heartbreaker got a really mean faker
Lovemaker Lovemaker
Heartbreaker got a really mean faker

I can't get you out of my mind
I can't get you out of my mind no no
I can't get you out of my mind
I can't get you out of my mind

You're such a lovmaker

Mmm it's not fair
You shouldn't do this to me
You shouldn't treat me this way

Ooh Lovemaker Lovemaker
Heartbreaker got a really mean faker
Lovemaker Lovemaker
Heartbreaker got a really mean faker

I can't get you out of my mind
I can't get you out of my mind no no
I can't get you out of my mind
I can't get you out of my mind
You're such a lovmaker

Lovemaker Lovemaker
