I know we were lovers I know the games we played
You never told me... that you wanted a child
No know that I care but you gotta realize
You didn't play it straight you've beaten me with lies

Ref:

Russian Roulette Bang Bang You've got me
I've never though that this would happen to me
Russian Roulette Bang Bang you got me
Oh Baby let me loose a God to be free

It seems you've been dreaming it seems that I'm a fool
My first reaction is far away from cool
What do you expect what do you want me to do
Get out of School get a job and marry you

Ref:

Russian Roulette Bang Bang You've got me
I've never though that this would happen to me
Russian Roulette Bang Bang you got me
Oh Baby let me loose a God to be free
Yeah baby let me loose a God to be free let me loose
girl oh
Oh let me loose I got to be free oh

Don't say that you're sorry I doesn't mean a thing
What's your solution girl do you have a clue
Well here we were standing passion's fading away
And your fool and... boy what more can I say

Ref:

Russian Roulette Bang Bang You've got me
I've never though that this would happen to me
Russian Roulette Bang Bang you've got me
Oh Baby let me loose a God to be free
Russian Roulette Bang Bang You've got me
I've never though that this would happen to me
Russian Roulette Bang Bang You've got me
Oh Baby let me loose a God to be free

Russian Roulette Bang Bang You've got me oh
