What are you doing tonight for the evening that's for  
free

I'm feeling like dancing all through the night  
What are you doing tonight are you lonely like me  
Are you looking for someone, a someone to love

I better have a lot of fun gotta make the hours about  
the way

I was born with his dancing feet I gotta keep Æ©m  
dancing night and day

When my arms need someone to hold on to  
You've been so lonely so girl I'm asking you

What are you doing tonight for the evening that's for  
free

And I'm feeling like dancing all through the night  
What are you doing tonight are you lonely like me  
Are you looking for someone, a someone to love

I'd like to stay all night long some people call me the  
moonlight cowboy

I don't mind cause it fits pretty good every night it's  
just another new years party  
Right now I feel I'm just a little boy who wants a be doug  
you know personal joy

What are you doing tonight for the evening that's for  
free

I'm feeling like dancing all through the night  
What are you doing tonight are you lonely like me  
Are you looking for someone, a someone to love

What are you doing aha ah What are you doing aha  
Lets dance lets kiss lets have a party tonight  
Lets dance lets and kiss lets have a party tonight  
Lets dance lets kiss lets have a party tonight  
Lets dance lets kiss comon

What are you doing tonight for the evening that's for  
free

I'm feeling like dancing all through the night

What are you doing tonight are you lonely like me  
Are you looking for someone, a someone to love
