Its a little too late for you to know,  
the plans i had for you.  
Been a little too long since we last meet,  
I can hardly remember all i regret.  
All of those times we felt alive,  
thought I had everything.  
WeÂ're moving on to everywhere,  
but none of us have yet to see.

Everyone around me is chasing after soemthing,  
leaving their homes behind.  
Into alomost nothing,  
chasing after something to put there hearts behind.

We are not the same we both can say,  
thatÂ's all we have in common today.  
I know you think it is all a lie,  
but I want you to come and see me for me.

Everyone around me is chasing after soemthing,  
leaving their homes behind.  
Into alomost nothing,  
chasing after something to put there hearts behind.

Everyone around me is chasing after soemthing,  
leaving their homes behind.  
Into alomost nothing,  
chasing after something to put there hearts behind.

I can picture me without you,  
see life and chase it though.

Everyone around me is chasing after soemthing,  
leaving their homes behind.  
Into alomost nothing,  
chasing after something to put there hearts behind.

Everyone around me is chasing after soemthing,  
leaving their homes behind.  
Into alomost nothing,  
chasing after something to put there hearts behind.
