yer i know, he told me that but he said he wern't doing
nuffin with her
so.....what can i say
what, he had one next girl in his car
oh right so what did she look like
coz it might have been his cousin
u know what
this is how it is
and this is how i feel

deep down i always knew
your a playa i could never prove
so i use 2 sit there all alone by da phone
b4 u were a fantasy
now im feelin mad at me
coz i let my feelings 4 u grow
just grow out of ...

can i b so much in luv with u
that i dont mind what u do
u make me so exited
baby its your bad side and u know i like it

that boy
he's a playa, a playa, a playa
that boy
he's a gallist, a gallist, a gallist
that boy
and i dont trust him, dont trust him, dont trust him
that boy
but im still with him and i dont know why!
that boy
he's a playa, a playa, a playa
that boy
he's a gallist, a gallist, a gallist
that boy
and i dont trust him, dont trust him, dont trust him
that boy
but im still with him and i dont know why!

my friends keep tellin me u r wrong
when u treat me oh so good

when we're together now my luv is strong
i gots 2 carry on
i shouldn't really wanna stay
but i just can not put away
he's got a spin on me
i see, spin on me

can i b so much in luv with u
that i dont mind what u do
u make me so exited
baby its your bad side and u know i like it

that boy
he's a playa, a playa, a playa
that boy
he's a gallist, a gallist, a gallist
that boy
and i dont trust him, dont trust him, dont trust him
that boy
but im still with him and i dont know why!
that boy
he's a playa, a playa, a playa
that boy
he's a gallist, a gallist, a gallist
that boy
and i dont trust him, dont trust him, dont trust him
that boy
but im still with him and i dont know why!

do i luv him?
yes i do
we do the things that lovers do
so nice, he calls me on the phone at night
yeh but he calls every other girl 2 though!

do i trust him thats another song
situations not as strong or nice
or nice
yeh but heres a twist though

my babys a playa
but i cant get him out my head
leave him alone now thats what my friends yesterday
said
if its that simple how come the same happened to u?
luv is a poishion that keeps me going with my boo
i say 2 u and your crew so what im really gonna do
luv is da limit so watch me gettin more pacific
a playas a playa i'll break it down like your balaya
when hes away-a
i get a lonely kinda day-a

i luvs him, but i dont trust him
i luvs him, but i dont trust him
i luvs him, but i dont trust him
i luvs him, but i dont trust him

that boy
he's a playa, a playa, a playa
that boy
he's a gallist, a gallist, a gallist
that boy
and i dont trust him, dont trust him, dont trust him
that boy
but im still with him and i dont know why!
that boy
he's a playa, a playa, a playa
that boy
he's a gallist, a gallist, a gallist
that boy
and i dont trust him, dont trust him, dont trust him
that boy
but im still with him and i dont know why!
