layed back attitude all eyes on you
you gotta walk up in the club like what what what

knome 22s girls jackin you
you got your whole dam crew gettin in wit you
layed back attitude all eyes on you
you gotta walk up in the club like what what what

verse

so now i got your undivided 'tention
there's a few things that ha forgot to mention
like i dont deal with folks who dont listen
coz i'm not the only one to deal with all that friction
coz i'm one of those superficial women
whose got a big crib house i live in
i'm not arragent i know i'm not trippin
but i'm like what when i see you lookin
my girl you gotta have attitude
when you walk up in the club
fellas you know they all wathcin you
to let them know whats up

chorus x 2

Rappin

Yo when we step in the club its like what
five fellas with sneakers that won't stop
see me pippin the back of the car
jammin with the beat of the bar

make you wanna say ahh
when we're ridin the rythm the dance floor
leave your move the tom criuse
for the shore after shore at the door
we're gonna move your move thats for sure
for the first to pull now hit the dancefloor

chorus x 2
