Verse 1

(Stylus)

I know that some yawl dont really feel me
You see my attitude is bad and i am cocky
I'm really sorry to ya honey but frankly
I give a dam about whether you like me
So tell me what it is i got you hating me
Nah forget it coz it aint fasing me
Is it coz i say fresh or maybe
Coz i walk into the club like what baby

(chorus)

If you got your hair done and your look is tight
You got a fresh outfit and your clean tonight
Layed back attitude all eyes on you
You gotta walk up in the club like what what what
Known 22s girls jockin you
You got your whole dam crew gettin in wit you
Layed back attitude all eyes on you
You gotta walk up in the club like what what what

Verse 2

(Mi\$ Thang)

So now i got your undivided attention
There's a few things that I forgot to mention
Like i dont deal with folks who dont listen
Coz i'm not the one to deal with all that friction

(Bambi)

Coz i'm one of those insufficient women
Whose got a big criss house i live in
I'm not arrogant i know i'm not trippin
But i'm like what when i see you lookin

(Stylus)

My girl you gotta have attitude
When you walk up in the club
Fellas you know they're all watchin you
You need to let them know whats up

Like What

(chorus)

Verse 3

(Peekaboo Rap)

When we step in the club its like what
Five girlies with sneakers that won't stop
See my peeps at the back of the car
Jammin with the beat of the bar
Make you wanna say ahhh
When we're ridin the rythm of the dance floor
Give you more of the Tommi crew for sure at the door
We're gonna move your more thats for sure
For the fizz to pour now hit the dance floor

(chorus)

Verse 4

(Lil Chill)

If you got your hair done and your look is tight

Laid back attitude all eyes on you
