Waiting (by tommi '90)

=====

I'm waiting

Something to happen

I'm waiting

Clarification of my mind

I'm waiting

For morning

I'm waiting

For nothing

I'm waiting

And listening to music

I'm waiting

A message from you

I'm waiting

Fighting against the desire

I'm waiting

Passively staring the monitor

I'm waiting

My head is aching

I'm waiting

The clock keeps on ticking

I'm waiting

My shoulders are aching

I'm waiting

My nose is bleeding

I'm waiting

Coughing and sniffing

I'm waiting

Bleeding inside

I'm waiting

Idling and waiting

I'm waiting

Thinking of nothing

I'm waiting

Forever and ever

I'm waiting

For a change

I'm waiting

Should make up my mind

I'm waiting

Procrastinating

I'm waiting

Growing my beard

I'm waiting

All alone

I'm waiting

Feeling nothing

I'm waiting

Deep in depression

I'm waiting

Passively surrendering

I'm waiting

Weaker and weaker

I'm waiting

Locking myself

I'm waiting

Falling asleep

I'm waiting

Shivering

I'm waiting

Heart aching

I'm waiting

All the night

I'm waiting

Sitting and waiting

I'm waiting

Chance to forget

I'm waiting

Till I break

I'm waiting

No more

I'm waiting

No more
