ALICE LONG

Tommy Boyce & Bobby Hart

You're still my favorite girlfriend  
Alice Long  
And I don't forget about you  
When you're gone  
Even though right now you feel you don't belong  
You're still my favorite girlfriend  
Alice Long  
We both agreed that to get along  
To talk things over as they come up  
So if you think we don't see each other enough  
Then let's talk it over  
When we're together  
Nothing can keep us apart  
But if I ever forget to (??-unclear)  
But whatever  
You're still a part of my heart  
Can't you see  
Can't you see  
Oh you're still my favorite girlfriend  
Alice Long  
But you can't hold on to love by holding on  
When I am with you girl or when I'm gone  
Just remember  
You're still my favorite girlfriend  
Alice Alice Alice Alice Alice Alice (fading into  
instrumental interlude)  
You're still my favorite girlfriend  
Alice Long  
And I don't forget about you  
When you're gone  
Even though right now you feel you don't belong  
You're still my favorite girlfriend  
You're still my favorite girlfriend  
You're still my favorite girlfriend  
Alice Long  
(instrumental music fading out)
