I'll remember Carol
I'll remember her so well
Because she was my true love
So listen while I tell you

About a girl who won my heart
Said that she loved me so
Then she went away
Yes, she went away

And why, why
I'll never know
But I loved her so

I'll remember Carol
I'll remember her so well
I'll remember Carol
More than anyone can tell

I heard a boy told her lies
Just to win her heart
So she made a vow
Someday, somehow

That she'd, she'd break
Somebody's heart
But I loved her so

(CHORUS)

Walking around
Thinking about her
Telling my friends
That I forgot her
But don't you believe a word

Cause I'm still in love with her
Though it's plain to see
That she broke my heart
She tore it all apart

And she made

She made a fool of me
But I loved her so

(CHORUS) 3X to fade
