You're still my favorite girlfriend
Alice Long
And I don't forget about you
When you're gone

Even though right now
You feel you don't belong
You're still my favorite girlfriend
Alice Long

We both agreed
That to get along
To talk things over
As they come up

So if you think we
Don't see each other enough
Then let's talk it over

When we're together
Nothing can keep us apart
But if I ever forget to
Cut it to start?

To wonder wether you're
Still a part of my heart
Can't you see, can't you see

Oh, You're still my favorite girlfriend
Alice Long
But you can't hold on
To love by holding on

When I am with you, girl
Or when I'm gone
Just remember
You're still my favorite girlfriend

Alice, Alice, Alice
Alice, Alice, Alice...

You're still my favorite girlfriend

Alice Long
And I don't forget about you
When you're gone

Even though right now
You feel you don't belong

You're still my favorite girlfriend
You're still my favorite girlfriend
You're still my favorite girlfriend
Alice Long
