She knew what she wanted  
I knew what I wanted too  
When I met her

I gave what she needed  
She gave what I needed too  
And I let her

I was too happy to notice that  
She needed more than to hold me  
Now she is holding somebody  
That she knew before and she told me

Goodbye, baby, bye bye  
Goodbye, baby, bye bye  
Goodbye, baby, bye bye, bye bye

I should have known I'd be here  
All alone, trying hard to forget her  
Last time I saw her, she smiled and  
She hoped I was feeling much better

She said, I don't want to see you cry  
I don't want to see you cry  
I don't want to see you cry

Wish I hadn't learned so much about her  
Better off if I could live without her  
Better off if I could live without her  
Better off if I could live without her  
Better off if I could live without her

Goodbye, baby, bye bye  
(I don't want to see you cry)  
Goodbye, baby, bye bye  
(I don't want to see you cry)  
Goodbye, baby, bye bye, bye bye  
(I don't want to see you cry)

Goodbye, baby, bye bye  
(I don't want to see you cry)  
Goodbye, baby, bye bye...
