I WONDER WHAT SHE'S DOING TONIGHT

Tommy Boyce & Bobby Hart

If I had told her that I loved her

She would have stayed till who knows when

But I guess she couldn't understand it

When I said I want to be your friend

Cause a friend would never doubt you

Or ever put you uptight

And now I wonder what she's doing tonight

REFRAIN

Oh yes I wonder

What she's doing tonight

Ohoh I wonder what she's doing

Tonight

We were so close we shouldn't get closer

And it's making me feel so sad

But I tell myself I didn't loose her

Cause you can't loose a friend you never had (come on now)

Cause a friend won't say it's over

And go out just for spite

And now I wonder what she's doing tonight

REFRAIN

(all right Bobby)

Because a friend will always be there

If you're wrong or if you're right

And now I wonder what she's doing tonight

Another Version

I WONDER WHAT SHE'S DOING TONIGHT

Tommy Boyce & Bobby Hart

If I had told her that I loved her

She would've stayed till who-knows-when

But I guess she couldn't understand it

When I said "I wanna be your friend"

'Cause a friend would never doubt you

Or ever put you uptight

& now I wonder what she's doin' tonight

CHORUS:

Oh yes I wonder what she's doin' tonight

Oh I wonder what she's doin' tonight

We were so close but should've been closer

& now I'm feelin' oh so sad

But I tell myself I didn't lose her

'Cause you can't lose a friend you never had

& a friend won't say it's over

& walk out just for spite

& now I wonder what she's doin' tonight

(chorus)

Sha la la la la la la

(instrumental)

(Tommy speaks: OK, Bobby, let's go!)

'Cause a friend will always be there

If you're wrong or if you're right

& now I wonder what she's doin' tonight

(chorus)

Sha la la la la la la

Sha la la la la la la
