Just a tattered photograph of a pretty face that loved to
last
Not much of a souvenir it's through but that's all I've
got to show for loving you
Just a pretty face that laughed at me and said that our
love could never be
Don't know why I keep that picture but I do
And that's all I've got to show for loving you
I look at your picture and I dream a little while
There's so many mem'ries ingraved in your smile
With your new love you're happy as can be oh I wish I
could say the same for me
But for me nobody else could ever do and that's all I've
got to show for loving you
Yes that's all I've got to show for loving you
