I heard you call my name dear Lord thank you for  
forgivin' me my shame dear Lord  
But I'm still not the man that you want me to be  
But please Lortd just don't give up on me  
Draw me closer to your side each day oh lead me and  
guide me along my way  
Reveal to me the things I must see but please Lortd just  
don't give up on me  
Oh oh oh the devil knows he knows I'm weak  
And he's always in the talkin' Lord when you're trying to  
speak  
Help me carry a word across this great land  
I need the strenght and power I get from the touch of  
your precious hand  
Help me break the devil's chains and set my wicked  
soul free  
But please Lortd just don't give up on me  
Oh no no no no please Lortd just don't give up on me
