I hear people talkin' bad about the way they have to live  
here in this country  
Runnin' down the wars we fight gripin' about the way  
things oughta be  
I don't mind 'em switchin' sides and standin' up for  
things that they believe in  
When you're runnin' down my country man you're  
walkin' on the fightin' side of me  
You're walkin' on the fightin' side of me  
Runnin' down a way of life our fightin' men have fought  
and died to keep  
If you don't love it leave it let this song that I'm singin'  
be a warnin'  
When you're runnin' down my country hoss you're  
walkin' on the fightin' side of me  
[ guitar ]  
I read about some squirrely guy who claims that he just  
don't believe in fightin'  
And I wonder just how long the rest of us can count on  
bein' free  
They love our milk and honey but they preach about  
some other way of livin'  
When you're runnin' down my country you're walkin' on  
the fightin' side of me  
You're walkin' on the fightin' side of me...  
You're walkin' on the fightin' side of me...
