Well you won't believe what happened last night on my way home  
I stopped at Joe's to have a drink and to call you on the phone  
Then I met Bill and Harry and both of them bought a round  
Before I knew what happened my head was spinnin' round  
From a booth back in a corner this blonde gave me a glance  
And I don't know why I did it but I asked her to dance  
Then Harry played the jukebox and we all sang along  
We were having so much fun how could I think of home  
Think of home think of home we were having so much fun how could I think of home  
[ ac.guitar ]  
Then I said something awful to a stranger at the bar  
The next thing I remember they'd carried me to the car  
But I know it sounds ridiculous and you think I'm just talkin' smooth  
But that's exactly how it happened and honey that's the honest truth  
Honey now honey it's the truth really honest baby put down that gun  
I'm not lyin' ask Harry ask Bill ask anybody  
(bang bang bang bang bang bang)
