I have been all around this old world held the hand and
kiss the lips of pretty girls
But no matter what I do I still want to be with you
Cause I'm nowhere nowhere without you
I'm nowhere without you and life's not worth living
When you're not by my side with that sweet love you
give me
Oh I know I've been a fool but I'll make it up to you
Cause I'm nowhere nowhere without you
[ac.guitar]
Now I'll spend all my time by your side we'll live again
and love at once nearly dying
And I won't let schemes interfere with my dreams
Cause I'm nowhere nowhere without you
I'm nowhere without you...
