Well ten years ago on a cold dark night someone was  
killed neath the town's hall light  
There were few at the scene but they all agreed  
That the slayer who ran looked a lot like me  
The judge said son what is your alibi you're somewhere  
else then you won't have to die  
Well I spoke not a word though it meant my life  
For I'd been in the arms of my best friend's wife  
She walks these hills in a long black veil she visits my  
grave when the night winds wail  
Oh nobody knows and nobody sees nobody knows but  
me  
[ ac.guitar ]  
The scaffold is high and eternity near she stood in the  
crowd but she she'd not a tear  
And sometimes at night when the cold wind moans  
She stands o'er my grave and weeps for my bones  
She walks these hills...  
Oh nobody knows but me oh nobody knows but me
