Some people that I know have the opinion that married  
life is not the way to go  
They compared to being in a prison well if they're right  
I won't them all to know  
I'm livin' in Lovenworth livin' in Lovenworth and doin'  
time with her's not bad at all  
I'm livin' in Lovenworth livin' in Lovenworth and me and  
the warden have a ball

The warden wakes me up with morning kisses three  
little inmates pull me out of bad  
Hard labor in the backyard on the weekends and all the  
boys around here call me dad  
I'm livin' in Lovenworth...  
[ guitar ]  
Kisses are the bars that keep me in this place  
The walls are lovin' arms that hold me tight  
I guess I could be free if I wanted to be but I like the  
way the warden say goodnight  
I'm livin' in Lovenworth...  
Yeah me and the warden have a ball
