Beare of bad news carrier of good news you never  
know what's in his pack  
When you've got bills due he hands you the sad news  
From that letter pouch slung from his back  
No matter what the weather is rain sleet or snow  
Even when the going's rough the mail still has to go  
Even though his feet hurt he's still got a job to do  
Making sure the mail gets through to you  
[ fiddle ]  
He wapes through a long week the bad dogs with sharp  
teets  
And there's complaints he has to listen to  
I thank you and a soft smile make it all seem worth  
while  
When folks recieve a monthly check that's due  
You stay in touch with folks at home through letters that  
he brings  
And pictures in an envelope show how the families  
changed  
When you write a letter to someone who's in love with  
you  
He's the one who gets your message through  
No matter what the weather is...  
Making sure the mail gets through to you
