Here's a song I love to sing it's about the girl who wears  
my ring  
And even though she's tempted she knows I'll make  
sure that she gets everything  
Cause when she's cold she knows I'm warm and I warm  
her in my arms  
And when she's sad oh I make her glad and I'm her  
shelter from the storm  
I'm her song when she feels like singing and I swing  
when she feels like swinging  
I don't know what she does that's right but it makes me  
come home at night  
And when I'm home she makes sure I'm never alone  
And that's why I keep singing my song  
And when I'm home she makes sure I'm never alone  
And that's why I keep singing my song
