Take my love to Rita tell her that much I need her  
Why I couldn't meet her like we planned  
Tell her that I'm sorry tell her that I'll call her  
As soon as I can slip away again

A second hand relation is such a situation anytime  
When the one at home is on your back  
And the one you love is always on your mind  
It's one or the other your wife or your lover  
And you're only as safe as your last line  
I know that she'd be better if I'd stay away forever  
I've just got to see her one more time

Take my love to Rita tell her that much I need her...  
[ trumpet ]  
It's not so satisfyin' when you had to keep on lyin' all  
the time  
And you know your chance of gettin' caught  
Just keeps on gettin' greater all the time  
It's one or the other your wife or your lover  
And either way the price is always high  
I know that she'd be better if I'd stay away forever  
I've just got to see her one more time

Take my love to Rita tell her that much I need her...

(Take my love to Tommy tell him that I need him  
And ask him why he didn't keep out there  
Tell him that I'm sorry please ask him to call me  
As soon as he can slip away again)

Take my love to Rita tell her that much I need her...
