This song's about love and understanding about  
someone who turned my skies to blue  
To a girl who gave the reasons to go on living  
Yes sweetheart this song belongs to you  
This song belongs to you and you alone I've got  
everything I'll ever need at home  
You know how to love me and you do  
That's why sweetheart this song belongs to you  
[ steel ]  
You know how to keep my world turning  
You took the clouds away and now the sun shines  
through  
You taught me about love and I'm still learning yes  
sweetheart this song belongs to you  
This song belongs to you and you alone...  
That's why sweetheart this song belongs to you
