Lately you spent a lot of time at parties  
Your head held high in a world of make believe  
You don't hear a word that I tell you and I can see you  
no longer care for me  
You don't hear a word that I'm saying I may as well be  
talking to the ceiling  
I want you to know how much I love you I talk to you all  
the time but you don't hear  
[ guitar ]  
If you'd stop for a minute and listen or you'd save  
yourself a lot of tears  
Your party pals won't love you like I do I try to tell you  
but you don't hear  
You don't hear the word that I'm saying...  
I talk to you all the time but you don't hear
