Today's not an age made for maidens
But I am the age of a maiden
Maiden eyes, maiden lips
Maiden thighs, maiden hips
Maiden nose, maiden knows

Today's not an age shaped for shepherds
But you are the age of a shepherd
Shepherd hands, shepherd feet
Shepherd glands, shepherd heartbeat
Shepherd nose, shepherd knows

Today's not an age partial to pastures
But here we are in a pasture
Past your eyes, passed my lips
Past your thighs, passez my hips
Past your nose
And the pasture knows
