No no no I know
You owe me nothing
No no no I know
I'm not your job
No no no I know
We should just walk away
We both know
We know
It's hard

Autumn comes to a seaside town
A little later than the rest
The leaves hold on a little longer
Than they would off out West

No no no I know
You owe me nothing
No no no I know
I'm not your job
No no no I know We should just walk away
We both know
We know
It's hard

The leaves let go
So let them go
The leaves let go
So let them go

No no no I know
You owe me nothing
No no no I know
I'm not your job
No no no I know
We should just walk away
We both know
We know
It's hard

The leaves let go
So let them go

The leaves let go
So let them go
The leaves let go
So let them
