If when we kiss

The thrill of my kiss

Isn't all it should be

Remember, I'm new

I'm new in the ways of love

And if when we touch

The warmth of my touch

Disappoints you and me

Remember, I'm new

I'm new in the ways of love

It would be fun to learn

If you teach me how

I'm willing to learn

Start teaching me now

Oh, I love you so

But, still I have learned

How to set you aglow

Remember, I'm new

Remember, I'm new

I'm new in the ways of love

It would be thrilling to know

If you teach me how

I'm willing to learn

Start teaching me now

Oh, I love you so

But still, I have learned

How to set you aglow

Remember, I'm new

Remember, I'm new

I'm new in the ways of love
