High school U.S.A.  
High school U.S.A.  
High school U.S.A.  
High school U.S.A.  
High school U.S.A.

Come Friday noon  
Bout a half past three  
(High school U.S.A.)  
I drop my books and my misery  
(High school U.S.A.)

Stroll up and down  
Through the soda shop  
(High school U.S.A.)  
Drop a coin in the old jukebox  
(High school U.S.A.)

Well now looking all around  
What did I see  
Every school kid  
There could ever be

They come from Pittsburgh  
Chicago and Boston too  
New Orleans, San Diego  
And old St. Lou

Cleveland, Portland, and L. A.  
Fort Worth, Charlotte  
And Frisco Bay

Detroit, Newark and Memphis too  
Well, they wanna do the  
High school bop with you

Well, come Saturday morning  
They were still going strong  
(High school U.S.A.)  
They've been rocking and  
A-rolling all night long  
(High school U.S.A.)

No time to study on their ABC's  
(High school U.S.A.)  
Mmm they're getting their lessons  
On the birds and the bees  
(High school U.S.A.)

Yeah all across the floor  
They're doing the hop  
Everybody's doing that  
High school bop

They come from Dallas  
Cincinnati and good old Philly  
Houston, Raleigh, and Kansas City

Miami, Baltimore and Washington  
Norfolk, Atlanta and Charleston

Birmingham, Jacksonville  
Tulsa too  
Well they wanna do the  
High school bop with you

There was St. Paul  
Nashville and San Antonio  
New York, Hartford, and Oklahoma  
Camden, Durham, Indianapolis  
Buffalo, Tampa, Minneapolis

New Orleans  
Columbus, Seattle too  
They all wanna do the  
High school bop with you

(High school U.S.A.)  
(High school U.S.A.)  
Mmm, look out  
(High school U.S.A.)  
(High school U.S.A.)...
