Romaji & English translation by: cori february2

Even if your girl is crying...  
You don't even care  
Is that ok with you?

The beautiful night sky is watching you  
Always your way is dirty

Even if your babe is my friend  
Can you love me?  
Hey, she's looking for you

The beautiful night sky is watching you  
But I can't stop loving you

Chikatetsu orite hoshi wo  
Sora ni kuchibeni wo hiite  
Stepping off the subway, I count the stars  
trailing my lipstick in the sky

Juwaki no mukou anata no koe ga  
Sasotte iru wa Hey bad boy x2  
"I'll get down..."  
On the other end of the phone,  
your voice invites me...

I can't imagine how I love you  
You truly love me so much, you know

Even if your baby is crying...  
You don't even care  
Is that ok with you?

Even if my friend is crying...  
I don't care  
Babe, I can't stop loving you

ASUFARUTO kara tachinoboru kage  
Mayonaka ni yameta TAKUSHII  
A shadow that rises from the road

A taxi that stopped in the middle of the night

Ai shite wa dame to kizuitemo  
Mou modorenai Hey bad boy  
Even if I realize that I shouldn't love you,  
I won't turn away anymore

Naze motomeru no? Toikaketa te ni  
KISU shite anata wo matta  
Why do I want you?  
I waited for you, who kissed my questioning hand

1,000,000 (hyakuman) DORU no houseki yori mo  
Anata ga hoshii Hey bad boy x2  
"Come on now"  
I want you more than a \$1,000,000 jewel

Hey bad boy

Akai PANPUSU oreta kakato wo  
Nigirishimete inotta  
I held on tight to the broken heel  
of my red pumps & prayed

Juwaki no mukou anata no koe ga  
Sasotte iru wa Hey bad boy  
On the other end of the phone,  
your voice invites me...

Moshimo hontou ni kite kureta nara  
Kakugo suru to chikau wa  
If you really come for me,  
I vow to make up my mind

Chikazuku ashioto ni furikaeru  
Hayaku kuchizukete my boy  
Hey bad boy  
"Come on now..."  
I turn around to the approaching footsteps  
Hurry up & kiss me, my boy...
