Come on darlin' close your eyes
Konya no yozora mo suteki
Now I'm fallin' love!
Koi no yokan magic in your eyes

(Darlin'! If you're my boyfriend...)

Yeah we're walkin' down the street
Shoppu baggu kakaete
Shou uindou ni utsuru
Shuumatsu no watashitachi!

Futari no deai wa suushuukanmae no gogo
Kata to kata ga furetara kanjita no desutinii

You! You! Only you!
Mata aeru no? Koi no beru narashite
My darlin' call me any time...
(...You want to!)

Come on darlin' close your eyes
Kossori nooto ni kaita
Now I'm fallin' love!
Anata shika mienai

Oh my darlin' take my hand
Haato ni furetara
Kiken! Can't stop fallin' love!
Mitsumenaide magic in your eyes

(Darlin'!If you're my boyfriend...)

Yozora no doraibu kurashikku kaa ni notte
Hikaru machi wo miorosu ryuusenkei egaite

Joshuseki de inoru onegai toki wo tomete
Mou sukoshi kono mama de isasete kudasai

Please! Please! Hold me tight!
Yume ja nai nara ai no uta kikasete
My darlin' call my name and kiss me

(I want you!)
Let's go! Darlin' close your eyes
Pinku no gurasu ni utsusu
Sparklin' stars with you
Jewel na sora no shita

Oh my darlin' take my hand
Kirameku seiza ni mahou kaketara
Nuke dasenai magic in your eyes

(Darlin'! If you're my boyfriend...)

You! You! Only you!
Mata aeru no? Koi no beru narashite
My darlin' call me any time...
(..You want to!)

Come on darlin'close your eyes
Yozora ni nooto ni kaita
Now I'm fallin' love!
Anata shika mienai

Oh my darlin' take my hand
Haato ga furuete
Kiken! Can't stop fallin' love!
Hitomi ni hoshi...in your eyes yeah

Let's go! Darlin' close your eyes
Pinku no gurasu ni utsusu
Sparklin' stars with you
Jewel na sora no shita

Oh my darlin' take my hand
Kirameku seiza ni mahou kaketara
Nuke dasenai magic in your eyes
