"Give Up"

Give up
Life is hard
Give up oh
You'll never pay your bills with that guitar
Its what they told me
Since I was you,
"You'll Never be nothing Boy!
Cause your just the preacher's son."
I want them to see See me now
See how proud I am
Of my life and my girl
Shes my whole world
Shes my only shining pearl
There something wonderful like the smile on your face
And they way you say my name
Be even better if I hadn't gone
I left so many times and its not far
Give up
Love is hard
Give up
You'll never find love with a broken heart
Give up
Love is hard
Give Up
Just Give Up.
