I've gotta run away from you
If I wanna save myself
And there's nothing I can do
To break your magic spell
You are evil and you show it
With your eyes
Oh, and the way your body moves
Just keeps me hypnotized
Cos I'm a prisoner of love
Someone rescue me
Release me from this state of mind
I was born to be free
Just a prisoner of love
Come on let me be cos if loving you is my crime
Go on and close the door on me

Oh, I've been convicted for the crime
I have been done
But if losing you is my sentence
I'd rather lose my life

Can someone help me
Help me keep my sanity
Cos I love this evil force
That's taking over me
Cos I'm a prisoner of love
Someone rescue me
Release me from this state of mind
I was born to be free
Just a prisoner of love
Come on let me be
Cos if loving you is my crime
Go on and close the door on me
Cos I'm a prisoner of love
Someone rescue me
Release me from this state of mind
I was born to be free
Just a prisoner of love
Come on let me be
Cos if loving you is my crime
Go on and close the door on me
