Black Minnie, Black Minnie
You know you ain't doin' me right
But the day you quit me, Black Minnie
I swear, that's the day you die

Black Minnie, you know I love you
An I love you for myself
And I'd ruther be wit' you, Black Minnie
An to be wit' anyone else

I give ya my money, Black Minnie
An ev'rything that you tol' me you need
An one time done come an caught me
Baby, wearin' my BVD's

Now, Black Minnie, Black Minnie
I'm 'on beg you one mo' time
An if you don't suit me
I'm 'on try to play the line

Black Minnie, Black Minnie
What in the world are you tryin' a-do?
I b'lieve try an love me, Black Minnie
And my partner, too

'Play a little'

(guitar)

Yeah, hey

Black Minnie, Black Minnie
What you tryin' a-do?

Now, Black Minnie, Black Minnie
You know you don't mean me no good
'Cause you goin' out wit' the man
That live right above my neighborhood

'Play it boss some'

(guitar)

Yeah!

Yeah!

Ah-ha-ha-ha

Black Minnie, Black Minnie

I swear I'm gettin' through wit' you

Black Minnie, Black Minnie

Yeah, you stays in the dark

An you know good an well

I ain't gon' never give you my last dollar

Black Minnie, Black Minnie

I'm 'on try you one mo' time

An if you don't do

I'm 'on break yo' neck or try.
