Intro:

'I wants to make this one right now'

This 'un, this 'un I got'

I'm g'wan, babe I'm g'wan

An cryin' won't make me stay

'Cause the mo' you cry, now-now, baby

The furth' you drive me away

Furth' you drive me away

I mean drive me away

Fur' you drive me away

Now, I wished

I was a bullfrog

Swimmin' in the

Deep blue sea

Lord, I would have all these

Good lookin' women, now-now-now

Fishin' after me

Fishin' after

I mean after

Sho' nuff after me

Now, I went to

My baby's house

An I set down

On her step

She said, 'Walk on in, now-now, Tom

My husband just now left

My husband just now

I mean just now

Sho' nuff' just now left  
Oh Lord, just now left  
Oh, jest now left'

(guitar)

Now, ain't none-a-mmm  
None-a my bid'ness  
Babe, but you know I  
Know it ain't right  
Stay wit' yo kid-man all day long  
An play sick on yo' husband at night  
On yo' husband at night  
I mean yo' husband at night  
Sho' nuff yo' husband at night  
Oh Lord, yo' husband  
Oh Lord, yo' husband  
Oh Lord, yo' husband

(guitar)

'Long time, isn't it'

Now Lord, whoa Lord  
Baby, hear me blow the blues  
Lord, they got no bottom  
Now-now-now, in my last pair-a shoe  
In my last pair, sh  
In my last pair.
