check my new jam i'm bringing
when i'm done with you your ears will be ringing
i bring the rock hard..slinging bad ass riffs
that'll cut you til you're stinging
all frequencies are bumping
when the dust clears the air you'll be feeling
where am i.. now.. cause i'm spinnin so damn nauseous
that i knocked myself unconscience

all my peoples in the pit let me see you jump.. higher..
higher
never ever gonna quit let me see you jump.. higher..
higher
let's bring this motherfucker down.. don't give a shit..
higher.. higher
all my peoples in the pit let me see you jump

everybody's gonna get redick now no way to stop the
flow let's go.. get your jump on
can you feel the beats up in this... and the bass is so
infectious
swirlin turnin slammin.. how in the hell did I ever even
get in

swirlin turnin slammin.. so fuckin lost that i can't even
listen

all my peoples in the pit let me see you jump.. higher..
higher
never ever gonna quit let me see you jump.. higher..
higher
let's bring this motherfucker down.. don't give a shit..
higher.. higher
all my peoples in the pit let me see you jump

all my peoples in the pit let me see you jump.. higher..
higher
never ever gonna quit let me see you jump.. higher..
higher
let's bring this motherfucker down.. don't give a shit..
higher.. higher
all my peoples in the pit let me see you jump
