Mozelle, why we can't get along?
Mozelle, why we can't get along?
'Cause you know you always doin' somethin'
Baby, when you know is wrong

Babe, Mozelle you know you been ramblin'
You been ramblin' all night long
Mozelle, you know you been ramblin'
You been ramblin' all night long
Yeah, I know you been doin' somethin'
Yeah, Mozelle when you know it wrong

Mozelle, you know you liked yo' whiskey
Don't forget I likes my tea
Yeah
Mozelle, you know you love yo' whiskey
But don't forget I love my tea
But I'll get in my whiskey so strong
I'll forget about you

Oh, Lord
An I love you for myself
Mozelle, ooo-ooo, I love you for myself
Anytime hear somebody speakin' 'bout you
I will beat you in B.W.O.L.

'Beat it out one time, Tommy'

(guitar)

'That's what I'm talkin' bout'

'Long time did he work'

'Yeah, time to go'.
