comin to getcha.. one autograph.. one picture  
buyin the shots, hittin the rock.. yeah.. muthafuckers  
even trying to cockblock

and they say "Hey, remember me?" you know my  
cousin's friend's mother's sister's brother

shakin the hands, kissin the babies  
hotel lobby, pictures with the ladies  
dudes throwin me sacks of weed on stage  
chicks showin their racks to get backstage

people so strange and bizarre  
i know you know that you know who you are  
well, i think i dig you so strange  
never change!

everybody wants, everybody needs someone to love,  
someone to lead  
here i go trippin, here i go wishin that for once i wasn't  
me

and they say "Hey, remember me?" you know my  
cousin's friend's mother's sister's brother

shakin the hands, kissin the babies

hotel lobby, pictures with the ladies  
dudes throwin me sacks of weed on stage  
chicks showin their racks to get backstage

people so strange and bizarre  
i know you know that you know who you are  
i think i dig you so strange  
never change!  
(repeat)

you n me forever  
to be now or never  
will we see each other.. again  
you're so strange... you're so strange.. you're so  
strange..

and i hope you never ever change
