You say its gone  
What we had  
The fire that burned  
You rained instead  
Wont you try  
Try to keep on lighting

Have we changed?  
Closed the door  
Lost the key  
To come back at all  
You think its weird  
And Im so Cold  
You dont know  
Me anymore

But if you go away  
I hope you know its mistake to say  
That its gone?

Empty pictures  
On the wall  
Break me down  
To nothing at all  
Can I say? Can I call? I cant breath without you  
I know I put you  
Through this hell  
Covered you away  
Inside my spell  
Im ashamed  
Im to blame  
You dont need me anymore

But If you go away she says  
I know its more a mistake to stay  
And I dont need the sun to save me  
I just need the love you gave me

But if you go away  
I hope you know its mistake to say  
That its gone?
