Fight the demons in my head  
Through cursing every thought, every word, I should  
have said  
Surrender guilt, for lessons meant  
I'm only human

Abandon Judgement, Abandon blame  
Accept our differences, cause there ain't no future in  
shame  
Forgive, till only love remains  
Though I'm only human  
I'll not fear my calling

I Am Not Afraid  
To rise unto this moment  
Though only flesh and blood I'm made  
I will not falter, No  
I Am Not Afraid

I'll face my fears, once again  
Find strength to make a stand, change the things I  
know I can  
Lord guide me, to a better way  
Though I'm only human  
I'll not fear my calling

I Am Not Afraid  
To rise unto this moment  
Though only flesh and blood I'm made  
I will not falter, No  
I Am Not Afraid

We may fail  
We may fall  
I wont give in  
Cause this love will find me

I Am Not Afraid  
To rise unto this moment  
Though only flesh and blood I'm made

I will not falter, No  
I Am Not Afraid  
I Am Not Afraid
