Hey, me and my baby
Are going steady
We ain't married
But we're getting ready
To tie the knot and
I'm gonna make her my own

Now that I've found her
I'm gonna keep her
Finders keepers
And losers weepers
She's my baby
She's going steady with me

Well, I've been
Moving round and round
Lived bout all of my life
But now I've got a steady babe
And I'm gonna love her for life

All you roving ramblers
Can leave her alone
Don't even try to
Date her on the phone
Cause she's my baby
She's going steady with me

(Going steady with me)

Now, oh, sweet baby
That we're going steady
I'll go up and I'll
Ask your daddy what he thinks
If you and I are wed

Cause I love you
And you love me
We're both as happy
As we can be
And I hope your daddy
Will let you go
Steady with me

Well, we'll get that ring
Then be on our way
To see the preacher man

And when I say
I do, sweetheart
I'll slip the ring
On your loving hand

Everything's
Gonna turn out fine
I'll be yours
And you'll be mine
Cause you're my baby
You're going steady with me
