I'll be seeing you in  
All the old familiar places  
That this heart of mine  
Embraces all day through

In that small cafe  
The park across the way  
The children's carousel  
The chestnut trees  
The wishing well

I'll be seeing you in  
Every lovely summer's day  
In everything that's light and gay  
I'll always think of you that way

I'll find you in the morning sun  
And when the night is new  
I'll be looking at the moon  
But I'll be seeing you

I'll find you in the morning sun  
And when the night is new  
I'll be looking at the moon  
But I'll be seeing you
