hey man whats going down
come on in let me pour u a round
another bum in this old town what's new..

oh well im doing fine
any better and id probably die
just letting off a lil steam tonight

should i make it the usual

oh yes sir and make it a strong one
cuz i came here to have fun
can u help a brother out tonight

oh u bet and u came to the right place and buddy
why the long face is this old world not treating u right

shes leaving, i dont need another reason

hey buddy its closing time
hey man let me get u a ride
come back here any time and tell me whats new...
