I'll tell you now
And I won't tell you twice
Where, when, and how
I got some bad advice

I never thought I could handle
A girl with guns
And let me tell ya
You can bet that I'm not the only one (oh no...)

Stand tall, don't think small
Don't get your back against the wall
Shoot straight, I can't wait
Aim for the heart and fire away (No!)

I've come around
I understand today
She's the target now
I'm gonna have my way

Everybody says,
"Don't go messing with a girl with guns"
They don't need you
They couldn't love you
They couldn't be any fun (Noooo)

Stand tall, don't think small
Don't get your back against the wall
Shoot straight, don't wait
To Fire away...

An innocent bystander
Who forgets to look both ways
Who never tries to understand her
Won't feel the heat 'til it's too late (So I tell you)

Stand tall, don't think small
Don't get your back against the wall
Shoot straight, don't wait
To fire away (no, no, no)

Stand tall, don't think small

Don't get your back against the wall (aaahhh...)
Shoot straight, I can't wait
Aim for the heart and fire away (uhhhhh...)

Stand tall, don't think small
Don't get your back against the wall (I'll tell ya')
Shoot straight, Don't wait
To fire... away...

(All right!)

(Give it to me!)

(Come on!)

(Aaaaaaaaaahhhhhhhhhhhh... !)

(Eeeeeeeeheeeeeeeeeee...)
