I'm losing track again of how this all began
To crumble from a dream into promises I can't keep
Losing all my friends, guess they got sick of me
And I can't blame them, cause I agree.

I can't keep shining like a sparkler on the Fourth of July
Home alone again I toss and turn at night
Oh, I can't keep smiling like there's nothing to hide
I'm giving all I got to give so what do I get
For living a lie

Nightmares come and go and swell up in my soul
Blinking back the tears, talking loud so I can't hear
Voices in my heart that never got me anywhere
But if this is the trade, then I guess I don't care

Do do do—do do do do do
Do do do do do do oo
