I see the light in your eyes  
It's getting dimmer everyday  
I feel the bitter cut of your tongue, so lacking in it'  
Grace  
And the sadness on your tattooed face

It seems to me my dear  
When we are face to face  
The truth is a rare prey  
No matter how many tears  
Are locked up inside you like pounding fear  
And contrary to desire, like the reverse of me and you  
Time never comes back  
And leaves us nothing, nothing left to pursue

(Chorus)  
Da da da dat dat da dat da da dat da da

Turn off the waterworks baby,  
They don't move me no more  
You've got my boots but I'm already  
Standing out side your door  
And there's nothing left that we can repair anymore

It's good that I remembered, before you forget  
I give you my heart, but you wanted my head  
And there's nothing, nothing we don't deserve  
And contrary to desire, like the reverse of me and you  
Time never comes back  
And leaves us nothing, nothing left to pursue

Chorus

Now there's a knucklehead, I had it painted red  
Standing alone in the yard  
We won't be riding together no more girl  
Believe me, I take it hard  
I take it hard, I take it hard, I take it hard  
And contrary to desire,  
Like the reverse of me and you  
Time never comes back

And leaves us nothing, nothing left to pursue

Chorus out
