Chorus:

Why did He save you
So I could be a soul set free
Why did He save me
So you could be His child forgiven
Why did He save you
So we could show His grace and mercy
Why did He save me
To take His glory to the nations

Set apart to declare His glorious praise
Chosen to radiate His glory and His grace
Once without hope
His mercy we've received
So let's show the world what
It means to be redeemed

Set apart to proclaim the glorious news
That all is forgiven now
The old can be made new
Once without hope
His mercy we've received
So let's show the world what
It means to be redeemed

He saved us to show His glory
He saved us to show His love
He saved us to show His glory and His love
