Draw me close
Close to you
I want to come
Into the clutch
Of your mighty hand Just to rest
In your arms
Here is the place
That's where I'll stay
It's where I belong Lord my heart
Burns for you
With a kiss
I salute you
Like the cool
Morning dew Let my love
Lavish you {Back to the Top and Repeat
all} Lord my heart
Burns for you
With a kiss
I salute you
Like the cool
Morning dew Let my love
Lavish you Lord we are waiting
Patiently waiting
Anticipating
Encounter with you Lord we are waiting
Patiently waiting
Anticipating
Surround us with you {Repeat last two Choruses} Draw
me close
Close to you
