"Freedom To Stay"

I tied my bandana I took my pack from the floor
And you were still sleeping as I stood at the door
Once more I was headed to God only knows where
That's when it hit me I was already there
I could ramble a thousand miles or more
I never find the light I've seen in your eyes before
You gave me the freedom to go on my own way
But you gave me much more you gave me the freedom
to stay

So I keep on runnin' just to wish on a star
Searching for heaven when I know where you are
Cause life is just empty when you're walking alone
So wherever we're going it's good to be at home
I could ramble...
I could ramble...
