A long time forgotten are dreams that just fell by the way
And the good life he promised ain't what she's living today
But she never complains of the bad times or the bad things he's done Lord
She just talks about the good times they've had and all the good times to come
Now she's a good hearted woman loves with a good timin' man
And she loves him in spite of his wicked ways that she don't understand
Through teardrops and laughter they'll pass through this world hand in hand Lord
She's a good hearted woman lovin' her good timin' man
[guitar]
He likes the night life and bright lights and good timin' friends
When the party's all over she welcomes him back home again
Lord she don't understand him but she does the best that she can Lord
She's a good hearted woman lovin' her good timin' man
She's a good hearted woman...
She's a good hearted woman lovin' her good timin' man
